

CHARITY CARE PROGRAM INFORMATION SUMMARY

Does Westchester Medical Center offer a Financial Assistance / Charity Care Program?

Yes. Westchester Medical Center remains devoted to continued excellence in patient care and serving the community. As a partner in the community we offer a Financial Assistance / Charity Care program which allows us to provide care to patients without charge or at amounts less than our established rates.

Who qualifies for a discount and what are the income limits?

Financial assistance is available for patients with limited income and no health insurance. Although WMC's primary service area is defined as the five counties of Westchester, Putnam, Orange, Rockland and Bronx, everyone in New York State who needs medically necessary services can receive care and get a discount if they meet certain income limits. The amount of the discount varies based on your income and the size of your family. Do not be afraid to apply – you may qualify even if you work or own a home or car. You may also apply for a discount regardless of immigration status. Discounted or free care starts at **500%** of the federal poverty guidelines listed below:

Number of Persons in the Family Unit	Annual Family Income*	Monthly Family Income	Weekly Family Income
1	\$12,060	\$1,005	\$232
