#### SECTION II: GENERAL CLAUSES

#### A. TERM & TERMINATION OF SUBSEQUENT AGREEMENT

- 1. The term of the agreement awarded from this Bid Specification shall be for an initial term of one (1) year and shall commence on July 1, 2019 and terminate on June 30, 2020. The successful Bidder (the "Contractor") will be required to execute an agreement (the "Agreement") in substantially the form as herein described. Additionally, the Corporation, at its sole option, shall have the option to extend this Agreement for four (4) additional one (1) year periods at the same prices, terms and conditions by notifying the successful Bidder a minimum of thirty (30) days prior to the expiration of the applicable term.
- 2. The Agreement may be terminated by the Corporation upon thirty (30) days' notice, if the Corporation, in its sole discretion, deems such termination to be in its best interest. In such event, the Contractor shall be compensated and the Corporation shall be liable only for payment for services already rendered under this Agreement prior to the effective date of termination. Notice hereunder shall be effective on the date of receipt, which is presumed to be five (5) calendar days after mailing.
- 3. The Agreement may be terminated by the Corporation in the event that the Contractor breaches any of the terms of the Agreement and such breach remains uncured for ten (10) days' after service of written notice to the Contractor. Notice hereunder shall be effective on the date of receipt, which is presumed to be five (5) calendar days after mailing.
- 4. This bid and subsequent Agreement shall override any previous agreements for these services, except as otherwise provided herein.

## B. RATES, QUOTES, PRICES & PAYMENT

- 5. The prices and quoted on the Bid Form, if accepted, shall be considered guaranteed and not adjustable rates for the term of the Agreement, regardless of the level of services actually used or purchased. No exclusive rights shall be granted, nor are any guarantees, promises or representations of any minimum amount of services given nor are any to be inferred from this bid, if accepted. The Contractor hereby waives any claims to lost or anticipated profits based on the Corporation's failure to use any of the services up to the full amount estimated in the Bid Form. Further, the Contractor hereby disavows and waives any claims, including without limitation, claims for direct, indirect, consequential, or special damage or lost or anticipated profits based on the Corporatior's services.
- 6. The Bid Prices may be increased annually by the percentage, if any, that the cost of living index in the month of January of the current contract year has increased over the cost of living index in the month of January of the preceding contract year. In no event, however, shall the increase in the amount payable by the Corporation for the services rendered under the Agreement exceed three percent (3%) per year. In the event the Consumer Price Index decreases during any term of this Agreement, the amount payable by the Corporation shall decrease accordingly, but in no event shall the amount payable decrease below the amount payable during the first year of the Agreement). For the purposes of this paragraph 11, the Consumer Price Index shall mean the Consumer Price Index for All Urban Consumers published by the Bureau of Labor Statistics of the United States Department of Labor, New York, New York Northern New Jersey Long Island Area, all items (1982 1984 = 100).
- 7. The Corporation will NOT pay any boxing; crating, handling or insurance charges other than those identified in this Bid. Any freight to be paid by the Corporation must be include in this Bid and will be paid only to the Contractor. No third party freight bill shall be paid or accepted by the Corporation.

- 8. The Corporation is NOT subject to any federal, state or local taxes. Do **NOT** include any of these taxes when bidding or invoicing. Exemption Certificates will be furnished upon written request to the Corporation's Contracts Department.
- 9. The Specifications described in Section III may be changed, modified, increased or decreased based upon the needs of the Corporation. Changes in the cost of the work or services due to such changes, modifications, increase or decrease shall be determined in the following order: (a) reference to the prices, if any, set forth in the Contractor's bid; (b) mutually agreed upon unit or lump sum prices; or (c) the Contractor's actual cost of material minis any discounts and labor wage required for the work or services, as determined by an authorized representative of the Corporation plus twenty percent (20%) compensation for all items of profit and other expenses.
- 10. Invoices for the services rendered under the Agreement shall be monthly to an authorized Corporation representative. No other interpretation will be accepted. Any and all requests for payment to be made under the Agreement, including any request for partial payment made in proportion to the work completed, shall be submitted on properly executed payment vouchers of the Corporation and paid only after approval by an authorized representative of the Corporation. All payment vouchers must be accompanied by a numbered invoice and must contain the invoice number where indicated. All invoices submitted during each calendar year shall utilize consecutive numbering and be non-repeating. In no event shall final payment be made prior to the completion of all services and the approval of same by an authorized representative of the Corporation. Invoices are to be itemized with a detailed breakdown of any and all charges and must reference the contract number. The Corporation shall have the right to audit such books and records of the Contractor reasonably pertinent to the subsequent Agreement at any time during the term hereof or within eighteen months following termination of such Agreement.

#### C. INDEMNIFICATION

11. The Contractor agrees that, except for the amount, if any, of damage contributed to, caused by or resulting from the negligence of the Corporation, the Contractor shall defend, indemnify and hold harmless the Corporation, its officers, employees and agents from and against any and all liability, damages, claims, demands, costs, judgments, fees, reasonable attorneys' fees or loss arising directly or indirectly out of the performance or failure to perform hereunder by the Contractor or third parties under the direction or control of the Contractor.

#### D. INSURANCE REQUIREMENTS

- 12. (a) Prior to commencing work, the Contractor shall obtain at its sole cost and expense the required insurance from insurance companies licensed in the State of New York, carrying a Best's financial rating of A or better, and shall provide evidence of such insurance to the Corporation. The policies or certificates for such insurance shall provide that thirty days prior to cancellation or material change in the policy, notices of same shall be given to the General Counsel of the Corporation by registered mail, return receipt requested, for all of the following stated insurance policies. All notices shall name the Contractor and identify the Agreement. If at any time any of the policies required herein shall be or become unsatisfactory to the Corporation, the Contractor shall, upon notice to that effect from the Corporation, promptly obtain a new policy and submit the policy or a certificate to the Office of General Counsel of the Corporation for approval. Upon failure of the Contractor to furnish, deliver and maintain such insurance, the Agreement, at the election of the Corporation, may be declared suspended, discontinued or terminated. Failure of the Contractor to take out or maintain such insurance from any liability under the Agreement, nor shall the insurance requirements be construed to conflict with or otherwise limit the contractual obligations of the Corporation. All property losses shall be made payable to and adjusted with the Corporation.
  - (b) The Contractor shall provide proof of the following coverage:

- i. Workers' Compensation. Certificate form C-105.2 or State Fund Insurance Company form U-26.3 is required for proof of compliance with the New York State Workers' Compensation Law. State Workers' Compensation Board form DB-120.1 is required for proof of compliance with the New York State Disability Benefits Law. Location of operation shall be "All locations in Westchester County, New York." (Where an applicant claims to not be required to carry either a Workers' Compensation Policy or Disability Benefits' Policy, or both, a temporary permit may be issued if the employer completes from C-105.2 in duplicate. A copy of form C-105.2 is sent to the Worker's Compensation Board, Information Unit for investigation and report.) If the employer is self-insured for Worker's Compensation, he should present a certificate from the New York State Worker's Compensation Board evidencing that fact.
- ii. Employer's Liability with minimum limit of \$100,000.
- iii. **General Liability** Insurance with a minimum limit of liability per occurrence of \$1,000,000 for bodily injury and \$100,000 for property damage or a combined single limit of \$1,000,000 (c.s.l.), naming the Corporation as an additional insured. This insurance shall indicate on the certificate of insurance the following coverages:
  - 1. Premises Operations.
  - 2. Broad Form Contractual.
  - 3. Independent Contractor and Sub-Contractor.
  - 4. Products and Completed Operations.

All contracts involving the use of explosives and demolition shall provide the above coverage with elimination of the XCU exclusion from the policy, or proof that XCU is covered.

- iv. Automobile Liability Insurance with a minimum limit of liability per occurrence of \$1,000,000 for bodily injury and a minimum limit of \$100,000 per occurrence for property damage or a combined single limit of \$1,000,000 unless otherwise indicated in the contract specifications. This insurance shall include for bodily injury and property damage following coverage's:
  - 1. Owned automobiles.
  - 2. Hired automobiles.
  - 3. Non-owned automobiles.
- (c) All policies and certificates of insurance of the Contractor shall contain the following clauses:
  - i. Insurers shall have no right to recovery or subrogation against the Corporation (including its directors, officers, employees, and subsidiaries), it being the intention of the parties that the insurance policies so effected shall protect both parties and be primary coverage for any and all losses covered by the above-described insurance.
  - ii. The clause "other insurance provisions" in a policy in which the Corporation is named as an insured shall not apply to the Corporation.
  - iii. The insurance companies issuing the policy or policies shall have no recourse against the Corporation for payment of any premiums or for assessments under any form of policy.
  - iv. Any and all deductibles in the above described insurance policies shall be assumed by, be for the account of, and at the sole risk of, the Contractor.

#### E. LAWS AND REGULATIONS

## 4. MINOR REPAIR SERVICE

a. Minor repairs are defined as those jobs requiring less than 10 man-hours to accomplish. Labor for minor repairs shall be included in the base bid.

## 5. EMERGENCY SERVICE

a. Emergency service shall be provided on an on-call basis, 24 hours a day, seven days a week.

b. All emergency service calls shall be responded to within a maximum of two (4) hours of the call for service. For the purpose of this contract, responded to shall mean arrival on site prepared to resolve emergency. All labor for such emergency calls shall be included in the Base Contract Price.

c. The Contractor shall be assessed damages in the dollar amount equal to the overtime hourly rate payable for services rendered hereunder for each hour, or part of an hour, beyond the maximum response time set forth herein that the contractor fails to respond to an emergency service call. In the event the Contractor fails to respond within the maximum response time, the Corporation in its sole discretion may elect to arrange for provision of emergency repair service from a source other than the Contractor. In such event, the Corporation shall immediately notify the Contractor verbally of such election, and the Contractor shall be liable for the cost to the Corporation for providing coverage. Said damages shall be assessed as a deduction from payments otherwise due and payable to the contractor for providing services rendered pursuant to the Agreement.

d. The number or emergency calls to whish the Contractor must respond is unlimited.

## 6. REQUIRED REPORTS

a. A service report and data sheet, on forms approved by the Corporation, shall be required after each visit and shall be left with the Facilities Management Office, Macy Pavilion Room E004. Service reports for work completed when the Facilities office is closed shall be put in the mail slot in the door of the Facilities Department.

b. Service reports shall accurately describe the work performed and include the date, building, location, equipment item# and mechanics signature. A representative of the Facilities Management Department shall sign all service reports.

c. Fuel sample, oil sample and coolant sample reports shall be submitted within twenty business days of the date of sample.

#### 7. COORDINATION OF WORK

a. All preventive maintenance and inspection test work shall be coordinated through the Facilities Management Office #(914) 493-7320 forty eight (48) hours prior to work to be performed.

b. Except for emergency repairs all work on the generators that are labeled as "critical" shall be scheduled so as not to interfere with rooms that may be in use. Work is usually scheduled for a Sunday two (2) weeks in advance or weekdays with work completed by six (6) A.M.

c. All scheduled work for generators that do not serve rooms listed above shall be performed weekdays between 8:00 A.M. and 4:00 P.M.

d. When requested by the Facilities Management Department the Contractor must perform the Preventive maintenance for a generator on other than regular hours. Under this condition the Contractor may invoice the Corporation for the difference between the daytime and the overtime hourly labor rate for the hours used to complete the requested work. This does not apply to work on generators listed in 7.b. above.

e. It is understood the need for the Operating rooms cannot be scheduled and that area's may be in use when the Contractor arrives. In each contract year the Contractor shall be expected to make at least two separate visits to complete the work as part of the base contract bid. If the Contractor has arrived prepared to work and through no fault of his own has no other work that can be done at that time, the Contractor shall be paid the applicable rate for the mechanic's round trip travel time to a maximum of two (2) hours.

f. For each maintenance or service visit where system deactivation is necessary, Contractor shall notify the Facilities Management Department (914)493-7320. Work on the system must be continuous without interruption until system is returned to service.

g. Contractor may, at his discretion, utilize other experienced specialist sub-contractors to perform such work as may be required to fully complete the Contractors preventative maintenance and / or emergency repairs. The Contractor shall be fully responsible for any and all work by subcontractors.

#### 8. PARTS

a. The Contractor shall maintain the most frequently used replacement parts, materials and supplies necessary for the Services to the Equipment for the term of the Agreement on inventory.

b. Replacement parts not in the Contractor's inventory stock must be obtained within three (3) business days. These are defined as non-standard parts.
